

Camping Adventure

We're going camping and it's gonna be fun
It could be cool in the rain or hot in the sun
We're going camping in the great outdoors
and I just can't wait to explore!

On our camping (camping) adventure (adventure)
We're going on a camping (camping) adventure
(adventure)

We're going camping and it's gonna be great
We're gonna get up early and stay up late
We're going camping under the stars
Hey look up there, its the planet Mars!

We're going on a camping (camping) adventure (adventure)
We're going on a camping (camping) adventure (adventure)

We gotta hammer in our tent pegs
Zip up the doorway
We're gonna snore all night
And when the morning comes we'll get up and go

On our camping (camping) adventure (adventure)
We're going on a camping (camping) adventure (adventure)

The Carseat Song

We're going on a journey
Lets go, lets go, lets go go go!
We're going on a journey
Lets go, lets go, lets go go go!

We're gonna get in the car seat
Lets go, lets go, lets go go go!
We're gonna get in the car seat
Lets go, lets go, lets go go go!

We're gonna buckle you in
buck, buck, buck, buck, buckle you in!
We're gonna buckle you in
buck, buck, buck, buck, buckle you in!

What will we see?
Wha, wha, wha, wha, what will we see?
What will we see?
Wha, wha, wha, wha, what will we see?

Cars and trucks and motorbikes, and other things that you might like,
and if you're feeling really fun we'll play eye-spy...

Let's Go For A Walk

Let's go for a walk,
Let's go for a walk,
Let's go, let's go, let's go, let's go,
Let's go for a walk,

We're at the top of the mountain
What a beautiful view
I can see for miles and miles
Hey look! It's Putaruru! Kia Ora!

Let's go back to camp
Let's go back to camp
Let's go, let's go, let's go, let's go,
Let's go back to camp

One Big Scoop

My icecream, my icecream was one big scoop (one big scoop?!)
And on that icecream cone was vanilla! (vanilla?!) My favourite flavour
Vanilla is the one for me, vanilla is the one for me.
Vanilla, vanilla, vanilla, vanilla, vanilla is the one for me.

My icecream, my icecream had two big scoops (two big scoops?!)
And on that icecream cone was vanilla, and banana! (banana?!) My favourite flavours
Banana is the one for me, banana is the one for me.
Banana, banana, banana, banana, banana is the one for me.

My icecream, my icecream had three big scoops (three big scoops?!)
And on that icecream cone was vanilla, banana, chocolate! (chocolate?!) My favourite
flavours
Chocolate's the one for me, chocolate's the one for me.
Chocolate, chocolate, chocolate, chocolate, chocolate's the one for me.

And that's how we eat icecream!

Balloons

I'd like to tell you why balloons are hilarious
Look what I've got here
They make lots of funny noises, come in different shapes and sizes. I just love balloons!
(They make lots of funny noises, come in different shapes and sizes. I just love balloons!)

I'd like to tell you why balloons are fun.
It's because they make you happy
you can play lots of games and be entertained by this incredible toy!
(you can play lots of games and be entertained by this incredible toy!)

I'd like to tell why balloons are stretchy.
They are made of rubber
and the first toy balloon that was ever inflated was in 1824!
(and the first toy balloon that was ever inflated was in 1824!)

The Run Stop

Run, run, run, run, run, run, run, run, stop!
Run, run, run, run, run, run, run, run, stop!
Stop!
Run, run, run, run, run, run, run, run,
Run, run, run, run, run, run, run, run, stop!

Marshmallows

Marshmallow, ooey gooey, really really chewy!
Marshmallow, ooey gooey, icky sticky, fluffy puffy!
Marshmallow, ooey gooey, really really chewy!
Marshmallow, ooey gooey, icky sticky, fluffy puffy!

Marshmallows, are so fine, you can eat em' indoors, you can eat em' outside!
Marshmallows, are so yummy, straight from the packet into your tummy!

Marshmallows, are so good, gonna share them with the kids in my neighbourhood
Marshmallows, what a treat! I'm gonna save some, for next week!

Marshmallows really make me sing,
Marshmallows are one of my favourite things.
I like to eat them day and night but,
Only when Mum and Dad say it's alright.
Come on Dizzy Dog, make me the winner,
You can tell from my rhymes I'm no beginner.
I can hear the marshmallows calling my name,
It doesn't matter what colour they are all the same! (I said)

Marshmallow, ooey gooey, really really chewy
Marshmallow, ooey gooey, icky sticky, fluffy puffy!

The Pot Song

My contribution is called Bing! Bong!
The pot is the instrument I use in the song
The sound you hear is Bing! Bong!
That's why I called it Bing! Bong!

Bing! Bong!
Bing! Bong!
Bing! Bong!
Bing! Bong!

Bing! Bong! is the music that I make from my pot
I hope you like the sound 'cos I like it a lot
It can get a little repet-it-it-it-itive
But that's ok 'cos it stops suddenly.

The Boy From Tiggy-Tee-Boo

There once was a boy from Tiggy-Tee-Boo
Who always played the green kazoo
Playing it loud and playing it proud
Playing it always drew him a crowd

Every day he'd play a new song
And folks would clap and dance along
Then one day he made no sound
No new tunes were around to be found.

The waiting crowd stood silently
In the morning air for a tune they could hear
But the blushing boy he couldn't play
All his tunes had gone away

People there began to turn
And leave the boy alone to yearn
It was sad, but what could he do,
Without a new tune for his green kazoo?

A voice from the crowd began to speak
'Play all the songs you played last week!
We like what you do, you give it your best
Play the old songs, give the new ones a rest.'

He chose the songs and played them all day
The crowd got bigger and watched him play
The boy discovered that something old
Was something new, in Tiggy-Tee-Boo

Twinkle Twinkle Little Star*

Twinkle twinkle little star,
How I wonder what you are.
Up above the world so high
Like a diamond in the sky
Twinkle twinkle little star,
How I wonder what you are.

Hey, look at those stars they shine so bright, looking so pretty in the middle of the night.
They make me want to fly my kite, and climb the string to the highest height.
Maybe I'll build a really fast rocket, fly right up and put the stars in my pocket.
You can sing along...

The Leaky Tent

I can hear the rain on the roof
And I hope my tent is waterproof
'Cos I'm cosy in my sleeping bag
And the roof is slowly starting to sag...

Now its really starting to pour
And I just heard a drip on the floor
This isn't what the weatherman said
I hope it doesn't drip on my head

Sure enough it dripped on my face
Infact it's flooding into the place!
Looks like I'll be staying awake
'Cos my tent is turning into a lake!

Well this has been a memorable time
Everything has worked out just fine
The sun has dried everything out
and I'll have something I can laugh about!

Wave Your Hand

Wave your hand and shake your leg
Wave your hand and shake your leg
Wave your hand and shake your leg
Wave your hand and shake your leg
Wavin', shakin', wavin', shakin',
Wave your hand and shake your leg

Wave your hand and turn around
Wave your hand and turn around
Wave your hand and turn around
Wave your hand and turn around
Wavin', turnin', wavin', turnin',
Wave your hand and turn around

Jump up and then bob down
Jump up and then bob down
Jump up and then bob down
Jump up and then bob down
Jumpin', and bobbin', and jumpin', and bobbin',
Jump up and then bob down

Everybody say Hooray (Hooray!)
Everybody say Hooray (Hooray!)
Everybody say Hooray (Hooray!)
Everybody say Hooray (Hooray!)
Yeah Funky Monkeys gonna make your day,
Everybody say Hooray (Hooray!)

Everybody do the freeze, FREEZE!
Now everyone can unfreeze

Now dance all over the place
Now dance all over the place
Now dance all over the place
Now dance all over the place
Dancin', dancin', dancin', dancin',
Now stop and take a bow!
